

# Terms and Conditions

Your purchase and use of delivery or related services are subject to the terms and conditions described on this page, the policies we make available in connection with your seller account, and the [third-party carrier](#) and other terms available via links below. You agree to these terms and conditions by clicking the check box and/or the "Buy delivery services & confirm dispatch" button presented with these terms and conditions or, if earlier, using any of the services described in these terms and conditions.

**Your Purchase.** You are purchasing delivery and any related services you request (such as liability cover) from third parties and not from Amazon. Amazon is not responsible for and will not have any liability regarding services you purchase from third parties.

**Charges to Seller Account.** By purchasing delivery or related services from third parties via your seller account, you agree to pay the fees associated with those services directly to the carrier. We reserve the right to adjust charges after they are initially posted to reflect adjustments by the applicable carrier or other service provider. We may limit or disallow services in our discretion.

**Compliance with Laws.** You will comply with all applicable laws and regulations with respect to delivery and related third-party services you purchase.

**Third-Party Service Terms Apply.** Your purchase and use of delivery and related services are also subject to the terms, conditions, and other agreements between you and the applicable carrier or other service provider. You are responsible for reviewing and complying with them.
